

A Union of Professionals

AFT + MEMBER BENEFITS

AUGUST 2022

As an AFT member, you belong to a community of colleagues.

We understand the power of joining together—in our work, in our communities *and* in the marketplace. At the AFT, we have our own marketplace—AFT + Member Benefits—which combines the purchasing power of the AFT’s 1.7 million members with the benefit offerings of Union Plus, the AFL-CIO’s benefit arm. This gives you a rich array of discounts, services and benefits that go beyond the workplace. Many of these programs are available to family members, too.

In the last few years, we have added new benefits that meet the moment, such as free trauma counseling to support recovery from personal and workplace challenges, NewsGuard to help discern fact from fiction online, and Summer to minimize student loan repayments.

Whether for everyday necessities or splurges, check the AFT + Member Benefits offerings.

We're Here When You Need Us Most

From addressing trauma to helping you buy a home, the AFT is here for your most important needs.

Free Trauma Counseling

www.aft.org/members-only

See page 10

I am a nurse with 20 years in the infectious disease unit. During the spring and summer of 2020, my unit was 100 percent COVID. The amount of loss we experienced was unimaginable. My local president made me aware of the counseling benefit provided by the AFT.... I received three months of counseling with a therapist who specializes in trauma recovery. Without this assistance, I'm afraid I would no longer be a nurse. Thank you for providing this benefit!

—AFT Healthcare Member

I had suffered a traumatic brain injury from an assault at work. I cannot say enough good things about the counseling that I received.... I would highly recommend to anyone that has experienced any kind of trauma to utilize this program to help in the healing process.

—New York State United Teachers Member

Last year, I was faced with the loss of two students. The grief was unbearable, and I began to suffer both emotionally as well as physically. I found out about the trauma counseling benefit while browsing the union's website and was quickly connected to a counselor. The therapy I received was transformative and truly saved my life.... The in-take process was seamless, and the hardest part was simply making the call and acknowledging I needed help.

Summer: Simplifying Student Debt

www.aft.org/benefits/summer

See page 3

After paying continuously for 16 years and getting rejected twice, I assumed I had no chance of receiving loan forgiveness and that I would be paying student loans even after retirement. Then I saw a mention of Summer in one of the [union] newsletters. With Summer, I finally got the PSLF [Public Service Loan Forgiveness] on Dec. 23.... I feel \$68,000 richer.

Pet Insurance

The Union Plus Pets Best plan has the best coverage of all the pet insurances we looked at. It's foolish not to use discounts to good programs when you can. United University Professors Member
